

## CLASS SCHEDULE

# SPRING 2025

## ELITE SAT Fundamental Class

for Grade 10 to 11  
(For March SAT on March 8th)

**JAN 11 - MAR 1 (8 Classes)** | Saturdays 8 AM - 5 PM  
Testing 8 AM - 12 PM | Review 1 PM - 5 PM

ELITE SAT Fundamental class will enhance SAT skills, knowledge, discipline, and endurance to prepare for the SAT through our AI-generated Tutorial Programs for those who want to excel in their scores on the SAT. This class will help the students learn the fundamentals of the SAT Reading and Math sections to improve their knowledge about the key concepts and become familiar with the multiple-choice question types. This class is perfect for students seeking to build a strong foundation for SAT success and prepare for the rigor of the *Elite Summer SAT Boot Camp*.

- Focus on various concepts in literature and different genres for English to improve reading comprehension and reasoning skills
- Train on topics such as Elements of Literature, Author's Voice, and Method
- Emphasize grammar topics and develop vocabulary
- Focus on concepts in four categories of SAT Math - Algebra, Geometry, Trigonometry, and Advanced Math

## SSAT

for Grade 6 to 8  
American English + Academic  
Management Program

**JAN 11 - APR 26 (16 weeks)** | Saturdays 8 AM - 12 PM

SSAT class provides expert-led instruction with tailored American English and Academic Management Program, focusing on the fundamentals to provide students with a comprehensive understanding of subjects unfamiliar to students. Through solidifying the exam coverage and strategies, students will gain confidence and competence, maximizing their potential for stellar SSAT performance.

- Double down on academic excellence through American English and Academic Management Program
- Demonstrate academic excellence in necessary subjects
- Develop effective strategies to optimize performance

## Book Club

for Grade 3 to 5 &  
Grade 6 to 8

**JAN 11 - APR 26 (16 weeks)** | Weekday (Tues & Wed) 4 PM - 6 PM

Book Club offers an enriching learning experience where students delve into carefully selected book matched to their individual reading levels. The program is meticulously designed to cater to the needs of both students aiming to enhance their reading abilities and those who are new to the English language

- Explore captivating books either chosen by students themselves or recommended by the school
- Focus on enhancing comprehension, annotation, and vocabulary
- Engage in meaningful discussions with peers
- Write book reports and deliver prepared presentations
