

## CLASS SCHEDULE

# SPRING 2025

## GPA Boost Program

for Grade 9 to 12

**JAN 11 - APR 26 (16 weeks) | Saturdays 8 AM - 12 PM**

The GPA Boost program offers students the opportunity to enroll in rigorous UC-approved courses, including Honors and AP courses, tailored to their interests in subjects like English, Math, Science, Social Studies, and more. By engaging in these challenging courses, students can enhance their transcripts and elevate their GPA, ensuring a strong academic foundation and a competitive edge for their college aspirations.

### Boost GPA By Taking Extra Courses or Electives at Elite

- All courses are accredited and will come with an extra official transcript
- Students take courses related to their intended major to exhibit a convincing academic interest
- Students maximize GPA and add extra "A(s)" to their final transcript for college applications

## College Course Program

for Grade 9 to 12

**JAN 11 - APR 26 (16 weeks) | Saturdays 8 AM - 12 PM**

The College Course program allows students to enroll in diverse college-level courses, showcasing their commitment to academic excellence. By earning college credits and engaging in advanced coursework, students demonstrate proactive learning and determination, positioning themselves ahead of their peers in college.

### Make Your Application OUTSTANDING with College Courses

- 1-semester college course
- Transcript from EOS + transcript from accredited American college
- Credit transfers to US universities to replace General Education requirements

## College Admission Consulting

for Grade 9 to 12

Our College Admission Consulting service provides extensive support throughout the admissions journey, finding the identification of the ideal school for each student, offering invaluable information, as well as imparting effective strategies and tactics to ensure the realization of the student's academic aspirations. Our seasoned counselors are dedicated to meticulously curating a compelling college application package, guiding the student through every stage of the process for a successful and tailored approach.

- Research best-fit schools and develop a personalized college list
- Create a college admission action plan
- Build an impressive college resume by selecting extracurricular activities
- Write a captivating personal statement
- Prepare for college interviews with confidence
