

## CLASS SCHEDULE

# Fall 2025

### Elite Youth

for Grade 5 to 11

Lower, Middle, Upper, and Honors

***Become a Reflective and Innovative Thinker Who Communicates with Clarity***

SEPT 6 - DEC 20 | Saturdays, 8 AM - 12 PM or 1 PM - 5 PM

Elite Youth helps students become strong readers, confident speakers, and skilled writers through engaging discussions, advanced reading, and structured writing. Using the renowned Harkness method, inspired by Andover, students develop critical thinking, creativity, and communication skills, preparing them for success in school, college, and beyond. The program includes Lower, Middle, Upper, and Honors levels.

- Read engaging nonfiction to boost comprehension and curiosity
- Write with clarity and structure for academic success
- Expand vocabulary to express ideas effectively
- Develop discussion skills to speak with confidence

### American English

for Grade 3 to 10

***Master the Fundamentals of American English***

SEPT 6 - DEC 20 | Saturdays, 8 AM - 12 PM or 1 PM - 5 PM

The American English Program strengthens grammar, reading, and critical thinking through a flexible digital platform tailored for native and non-native speakers. It ensures steady progress and confidence. Students engage in readings, quizzes, projects, and tests, with expert guidance from teachers and mentors for personalized support and language mastery.

- Strengthen grammar skills through interactive exercises
- Expand vocabulary and comprehension with various readings
- Develop critical thinking through writing activities
- Progress at a personalized pace with expert guidance

### Fundamental Writing

for Grade 3 to 7

***Build Essential Critical Thinking and Analytical Skills***

SEPT 6 - DEC 20 | Saturdays, 1 PM - 4 PM

The Fundamental Writing course builds essential reading and writing skills for academic success. Students develop annotation techniques for better comprehension and master structured paragraph writing. With teacher guidance and practice, they gain confidence in reading and writing, preparing for academic essay writing and discussion-based courses.

- Use annotation techniques to read actively and efficiently
- Write structured, logical paragraphs with clarity and coherence
- Expand vocabulary for precise and creative expression
- Gain foundational skills to succeed in advanced writing and discussion courses
