Students also access the GPA Boost program, including APs, SAT & TOEFL support, and college courses, strengthening their academic profile for competitive admissions.

- Create a best-fit college list aligned with your goals
- Stay on track with a strategic application plan, including scholarships
- Boost your academic profile with APs and college-level courses
- Write compelling essays with expert coaching
- Ace your interviews with confidence-building prep
- Improve SAT & TOEFL scores with targeted support

College Application Essay Workshop

for Grade 11 to 12

Learn to Write a Captivating Personal Essay

Jan 10 - April 25 | Tuesday - Friday, 4 PM - 6 PM

A strong college essay makes all the difference. This workshop helps students craft compelling personal statements that showcase their individuality. Through guided reflection, expert instructions, and multiple drafts, they transform meaningful experiences into powerful essays, ensuring clarity, depth, and impact for competitive applications.

- Discover your story through expert-guided self-reflection
- Write with confidence using structured techniques
- Strengthen your essay with expert feedback and revisions
- Stand out by learning what top colleges look for

College Major & Career Path Mentorship

for Grade 9 to 12

Gain Complete Clarity on Your Purpose in College and Beyond

Jan 10 - April 25 | Tuesday - Friday

1-on-1 Personalized Mentorship | 7 Sessions | Flexible Scheduling

Choosing the right college major and career path can be overwhelming, especially for students deciding between Japanese and international education systems. This exclusive 1-on-1 mentorship program helps both international students in Japan and Japanese students planning to study abroad gain the clarity and confidence they need to make well-informed decisions about their future.

- **Find Your Path:** Gain clarity on strengths, interests, and future goals
- **Choose the Right Major:** Align studies with career aspirations
- **Explore Careers:** Connect majors to real-world opportunities.
- **Make Confident Decisions:** Create a step-by-step success plan
- **Get Personalized Mentorship:** One-on-one guidance tailored to your goals

CLASS SCHEDULE

Spring 2026

Elite's SAT Tutorials

for Grade 9 to 11

Master the Fundamentals of SAT

JAN 10th - April 25th | Tuesday - Friday 4 PM - 6 PM | Saturday 1 PM - 5 PM

Elite's SAT Tutorials is built to give students the solid foundation they need to perform well on the SAT. Using our interactive digital platform, students independently work through lessons that cover the key topics in Math and Reading & Writing. The platform tracks progress in detail, helping each student focus their time and energy where it matters most. The aim is to make sure students not only understand the concepts, but also apply them confidently on test day. **Please note:** the questions in our tutorials are for skill practice and concept review; they're not the exact questions that appear on the official SAT.

- Build a strong grasp of all topics tested on the SAT
- Focus on areas that need the most work, based on clear tracking
- See detailed reports highlighting strengths and pinpoint weakness
- Take pretests, quizzes, and posttests to track mastery and identify areas for improvement

2026 Digital SAT Countdown

for March 14th and May 2nd

for Grade 9 to 11

Final Prep for Maximum Impact

JAN 10th - April 25th | Tuesday - Friday 4 PM - 6 PM | Saturday 8 AM - 12 PM

In our Digital SAT Countdown program, students will take four full-length SAT practice tests on Saturday mornings (or weekdays if requested) to prepare for the upcoming Official SAT. During the following weekday, students will receive a comprehensive written feedback report. This report will include their score breakdown, pinpointed areas for improvement, strengths and weaknesses, targeted strategies, and specific recommendations for further practice. As part of the package, students will also have access to Elite's SAT Tutorials for a comprehensive review of content knowledge. **Please note:** there are no one-on-one sessions included in this program.

- Access to Elite's SAT Tutorials for thorough content review
- Weekly full-length practice tests
- Comprehensive written feedback with targeted strategies
- Clear and actionable recommendations to maximize performance

CLASS SCHEDULE

Spring 2026

GPA Boost Program

for Grade 9 to 11

Boost GPA by Taking Extra Courses or Electives at Elite

JAN 10th - April 25th | Tuesday - Friday 4 PM - 6 PM | Saturday 1 PM - 5 PM

Our GPA Boost program provides UC-approved Honors and AP courses in English, Math, Science, Humanities, and more. Students strengthen transcripts, elevate GPAs, and build a solid academic foundation. Engaging in these rigorous courses ensures a competitive edge for college admissions.

- All courses meet rigorous academic standards and include an official transcript
- Students take courses aligned with their intended major to demonstrate strong academic interest
- Students maximize their GPA and add extra "A(s)" to their final transcript for college applications

College Course

for Grade 9 to 12

Get a Head Start on Earning College Credit While Still in High School

JAN 10th - April 25th | Tuesday - Friday 4 PM - 6 PM | Saturday 1 PM - 5 PM

The College Course program allows students to enroll in diverse college level courses, showcasing their commitment to academic excellence. By earning college credits and engaging in advanced coursework, students demonstrate proactive learning and determination, positioning themselves ahead of their peers in college.

- 1-semester college course
- Transcript from EOS + transcript from accredited American college
- Credit transfers to US universities to replace General Education requirement

SSAT

for Grade 6 to 8

American English + Academic Management Program

JAN 10th - April 25th | Tuesday - Friday 4 PM -- 6 PM | Saturday 1 PM - 5 PM

Using our digital learning platform, our SSAT class provides comprehensive content review and targeted practice of the knowledge and skills essential for success on the SSAT. Students will strengthen their understanding of key concepts, develop effective test-taking strategies, and build the confidence needed to perform at their best.

Maximize Your Potential for Outstanding SSAT Performance

- Strengthen your academic excellence with the American English and Academic Management Program.
- Demonstrate academic excellence in necessary subjects
- Develop effective strategies to optimize performance

CLASS SCHEDULE

Spring 2026

Elite Youth

for Grade 5 to 11

Lower, Middle, Upper, and Honors

Become a Reflective and Innovative Thinker Who Communicates with Clarity

JAN 10th - April 25th | Saturdays, 8 AM - 12 PM or 1 PM - 5 PM

Elite Youth helps students become strong readers, confident speakers, and skilled writers through engaging discussions, advanced reading, and structured writing. Using the renowned Harkness method, inspired by Andover, students develop critical thinking, creativity, and communication skills, preparing them for success in school, college, and beyond. The program includes Lower, Middle, Upper, and Honors levels.

- Read engaging nonfiction to boost comprehension and curiosity
- Write with clarity and structure for academic success
- Expand vocabulary to express ideas effectively
- Develop discussion skills to speak with confidence

American English

for Grade 3 to 10

Master the Fundamentals of American English

JAN 10th - April 25th | Saturdays, 8 AM - 12 PM or 1 PM - 5 PM

The American English Program strengthens grammar, reading, and critical thinking through a flexible digital platform tailored for native and non-native speakers. It ensures steady progress and confidence. Students engage in readings, quizzes, projects, and tests, with expert guidance from teachers and mentors for personalized support and language mastery.

- Strengthen grammar skills through interactive exercises
- Expand vocabulary and comprehension with various readings
- Develop critical thinking through writing activities
- Progress at a personalized pace with expert guidance

Fundamental Writing

for Grade 3 to 7

Build Essential Critical Thinking and Analytical Skills

JAN 10th - April 25th | Saturdays, 9 AM - 12 PM, 1 PM - 4 PM

The Fundamental Writing course builds essential reading and writing skills for academic success. Students develop annotation techniques for better comprehension and master structured paragraph writing. With teacher guidance and practice, they gain confidence in reading and writing, preparing for academic essay writing and discussion-based courses.

- Use annotation techniques to read actively and efficiently
- Write structured, logical paragraphs with clarity and coherence
- Expand vocabulary for precise and creative expression
- Gain foundational skills to succeed in advanced writing and discussion courses

Class Schedule

Spring 2026

Discussion Club

for Elementary, Middle, High, and College Students

Build the one skill AI can never replace: your voice.

Jan 10 - April 25 | Tuesday to Friday, 5:00 PM - 6:30 PM (in-person or online)

Where students learn the one ability AI will never have: the power to think, listen, and communicate with depth. In a world overwhelmed by automated information, students need more than answers; they need the ability to engage thoughtfully, express themselves clearly, and understand perspectives different from their own. Discussion Club gives students structured practice in speaking with confidence, listening with care, and forming ideas that come from genuine human insight. These skills shape leaders, not followers.

Perfect for students who need to:

- Build confidence in speaking
- Participate actively in classes or interviews
- Develop reflective, critical, and independent thinking
- Strengthen English communication in a global context

This course strengthens the very human skills that shape success in school, university, and life, skills no AI will ever replace.

Character Development

for Elementary, Middle, High, and College Students

Because who you become matters more than what you know.

Jan 10 - April 25 | Tuesday to Friday, 5:00 PM - 6:30 PM (in-person or online)

Academic ability matters. But character determines who a student becomes. In today's fast-changing world, students must learn more than content. They must learn how to manage themselves (their emotions, challenges, habits, relationships, and choices). This course helps students build maturity, responsibility, and resilience through guided conversations and real-life practice. They learn how to communicate with respect, handle setbacks, and act with integrity.

Students develop:

- Self-discipline and responsibility
- Emotional intelligence and empathy
- Confidence in communication
- Resilience in academic and personal challenges

This course creates the foundation for academic success and personal growth.
