

Academic Year 2026–2027
Full-Time Enrollment Open

Your Child May Need a Different School Pathway

A WASC–Accredited
American Private School
in Tokyo

Grades 3–12 • Starting September 2026

ELITE OPEN SCHOOL
LRC TOKYO

A School Pathway Designed Around the Student

Elite Open School LRC Tokyo supports students who need a flexible academic structure while pursuing athletics, performing arts, creative work, travel, competitions, or other serious commitments.

Personalized and Flexible American Curriculum

At Elite, students follow a rigorous WASC-accredited American curriculum while receiving individualized academic planning and college & career mentorship tailored to their goals.

Earn an American High School Diploma

High school students who complete Elite Open School's graduation requirements can earn an American high school diploma from Elite Open School.

Clear Future Pathways

Students can receive support for:

American high school graduation

International school transfer

U.S. university applications

Japan university applications

College and career planning

Free Diagnostic Test and Consultation

Begin with a free diagnostic test, student interview, and family consultation to determine the right academic pathway.

1 Diagnostic Test & Interview

Assess academic level, learning needs, and future goals.

2 Family Consultation

Review the results with an Elite Tokyo Education Consultant and discuss best-fit pathway.

3 Personalized Academic Plan

Start at Elite Tokyo with a tailored plan, clear goals, and structured support.
